

Song.

If I had one dream in the palm of my hand
It would be to see tomorrow.

If I had to say ^{someone queried me and asked me to say} what do you hope for
my reply simple and sweet.

IS TO SEE TOMORROW. There is some joy in knowing
that you had the joys of today. It's good to be
in the moment, look back over what has been.
BUT THE THOUGHT OF FACING [↓] ANOTHER DAY, NOW THAT

YET

SOME JOY I WANT TO HAVE, SO I SAY SIMPLE AND
SWEET. I LIKE, SO MUCH, SO I LIKE,
you can be sure I like to see tomorrow.

I like to see tomorrow.
