Just - for this issue I will run your submission as a letter-to-the-editor. It needed minor changes to fit that form. In the future however, information of this type will have to be in the form of a paid Ad.

Also, I spoke with Bruce Jones (ZFC) the other evening on the topic of Delphian coverage of minority events. I made it clear to Bruce, as I am now trying to convey to you, that there is no conscious effort on our part to ignore minority events. Yet I'm sure you would agree that with as many problems as A.U. has (tuition, dorms etc), everything on campus cannot be covered. Additionally, the Editorial Board of the Delphian, since the days
over

of Barbara Dent, has been frustrated by the lack of involvement of minority students up here on the 3rd floor. I'm sure that if more minority students, especially those living on campus, could find time to get involved up here, it would be 100 times easier for the rest of us to know about the special activities which organizations such as LUL, UBC, LSS (etc) sponsor.

Again, barring any complications of space etc., your letter should be in the Feb. 21 issue.
